The screenshot displays the BrainMatter Spreadsheet application. At the top, there is a menu bar with options: File, Edit, Tools, Format, and Help. Below the menu bar is a toolbar containing various icons for file operations (like save, print, copy, paste) and formatting (like bold, italic, underline, color). A formula bar is visible, showing the formula `=quote("put stock symbol here")`. The main area is a spreadsheet grid with columns labeled A through H and rows numbered 1 through 19. A large, empty rectangular area is visible on the right side of the grid, labeled '222'.
